SECTION VII: SPILL OR LEAK PROCEDURES

WILL NOT SPILL OR LEAK

WASTE DISPOSAL METHOD: See precautions in section VIII

SECTION VIII: PRECAUTION FOR SAFE HANDLING AND USE

Precaution to be taken in handling and storing: Wash thoroughly after handling and before eating or smoking. Eye protection is recommended if this is being slit, cut or punched. Use adequate ventilation if nuisance particles are being generated.

Waste Disposal Method: Landfill - Under CERCLA Superfund Act of 1980, this product by EPA's definition is not a hazardous substance and may be disposed of as industrial waste or incinerate in a permitted facility. Comply with Federal, State, and Local regulations.

SECTION IX: CONTROL MEASURES

Work/Hygienic Practices: Wash hands with soap and water after handling this product. Good industrial hygiene practice requires that employee exposure be maintained below the recommended TLV. This preferably is achieved through the provisions of adequate ventilation where necessary. Where dust cannot be controlled in this way, personal respiratory protection should be employed.

Other precautions: This MSDS being supplied to comply with applicable Federal and State regulations, particularly OSHA Communications Standard 29 CFR 1910.1200. The information contained herein is based on scientific data, which we believe to be dependable. However, since the conditions under which this information may be applied are beyond our control, we can assume no liability for results of its application. One or more of the ingredients contained herein may be a trade secret and not in the public domain. Pursuant to OSHA standards, specific chemical identity will be made available to health professionals in accordance with such OSHA guidelines relevant to medical emergency.

SECTION X: REGULATORY INFORMATION

OSHA Communication Standard: Not hazardous per 29 CFR 1910.1200(d).

RCRA Status: This product not subject to the 40 CFR Part 268.30 land bank on the disposal of certain hazardous wastes.

SARA Status: This product is not regulated under SARA Title III, 42 USC 9601.

TSCA Status: All the components are listed on the TSCA Inventory.

SECTION XI: SHIPPING INFORMATION

DOT CLASSIFICATION: Not Regulated.

BILL OF LADING DESCRIPTION: NMFC 151800, Wrapping Paper- NOI Sub 6 class 85

SECTION XII: DISCLAIMER AND/OR COMMENTS

This information in this MSDS was obtained from sources, which we believe are reliable. However, the information is provided without any representation or warranty, expressed or implied, regarding its accuracy or corrections. The conditions of handling storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of, or in any way connected with, the use, handling, storage, or disposal of the product.
